PROFESSIONAL SUMMARY

I am passionate about Artificial Intelligence and Data Science, with a strong interest in machine learning and intelligent systems. Proficient in Python and Java with knowledge of data analysis and problem-solving techniques. Quick learner with strong analytical thinking and a passion for exploring emerging technologies. Eager to apply my skills to build innovative AI-driven solutions.

EDUCATION

B.Tech – Artificial Intelligence and Data Science
Jai Shriram Engineering College, Tirupur | CGPA: 8.44 | Expected Graduation: 2027
Higher Secondary Certificate (HSC)
Raja National Matric Higher Secondary School | 2022 | 70.8%

PROJECTS

Cancer Prediction and Survival System
• Developed a machine learning system to predict cancer stage and recommend treatment options.
•Estimated patient survival time and treatment cost using predictive analytics.
Driver Drowsiness Detection System
• Built a computer vision system that detects driver fatigue using facial analysis.
Real-Time Emotion Detection System
• Created a facial expression recognition system to identify emotions in real time.
Smart Cane for Visually Impaired
• Designed an assistive smart cane that detects nearby obstacles and alerts users.

INTERNSHIP EXPERIENCE

Data Science Intern – Encapsulate IT, Coimbatore | Aug 2024
• Worked on data preprocessing, visualization, and ML model development.
Full Stack Development Intern – Live Stream Technologies | Jan 2025
• Developed web applications and assisted with backend and frontend features.
MERN Stack Intern – Tech Jose | Jun 2025
• Built applications using MongoDB, Express, React, and Node.js.

TECHNICAL SKILLS

Programming: Python, Java
Machine Learning: Data Analysis, Predictive Modeling
Web Development: HTML, CSS
Tools: Git, GitHub, Figma
Cloud: Cloud Computing Fundamentals
Other: Data Visualization, UI/UX Design

CERTIFICATIONS

Python for Data Science & Cloud Computing – NPTEL | AI Masterclass – Novi Tech | UI/UX Design using Figma – Ezio Skill Academy | Generative AI Study Jams – Google Cloud | Structural Programming in C
